

FINDING AID

UNIVERSITY OF ALABAMA SCHOOL OF LAW BOUNDS LAW LIBRARY ARCHIVES

HOWELL THOMAS HEFLIN COLLECTION
MSS.0028

Date Span: 1920s-1996

Collection Size: 1119 cubic feet

Description: The Heflin Collection contains 267 cubic feet of open papers and materials, 240 cubic feet of memorabilia, and 612 cubic feet of materials which are restricted from public use. The Heflin Collection documents Heflin's years as legal reformer and State Supreme Court Chief Justice, as well as his tenure as United States Senator. A detailed listing of materials in the collection is available in the form of a finding aid which thoroughly describes the collection, providing details of a significant portion of the material on a file-by-file basis.

The open materials span the 1920s-1996, the bulk of which is from 1970-1996. These materials include press clippings and scrapbooks; speech files; audiotapes and videotapes; press releases and statements; newsletters and various printed materials; photographs and negatives; campaign materials; and memorabilia. Selections of memorabilia and photographs are exhibited in the Heflin Conference Room at the Bounds Law Library of the University of Alabama.
